

DISCLAIMER

Canoeing can be a hazardous activity and this should not be underestimated. While in normal conditions the Whanganui River is suitable for inexperienced paddlers, it can be dangerous at some flows. I am making this trip at my own risk and absolve Blazing Paddles Canoe Adventures or any of its agents of any liability for loss or damage while I am on this trip, including any client property that may be lost or damaged. I have no medical conditions that should exclude me from canoeing. I am happy with the canoe equipment supplied and am confident about making this trip on the Whanganui River without a guide. Damage to the canoes/equipment through normal use will incur no charge, however loss or damage due to canoes floating away at night or any deliberate damage will incur the costs of recovery from the river by jetboat and repair. Any canoe completely lost by floating away will be charged for. Any refunds will be at the s□

You MUST be at the pick up point by the time shown below. The driver will wait only one hour before departing for Blazing Paddles' base. They will NOT return to the pick up point until the following day at the same time. To be sure you are on time you must leave your last campsite by 8.30 am on the day of your pick up. Any transport required outside of the standard pick up times will incur an extra charge, unless previously arranged.
